Obtaining a Library Card

Persons may be issued a library card by providing current identification and, if necessary, proof of address, showing one of the following:

- Residence in the City of Ripon
- Enrollment at Ripon College
- Residence in the Winnefox service area, which includes the counties of Fond du Lac, Green Lake, Marquette, Waushara, and Winnebago)

Persons not meeting these requirements will be considered for a library card on a case-by-case basis.

Teacher Cards

Persons teaching at public or private schools, daycare center employees, and certified homeschoolers, within the Winnefox Library System, are eligible for a “Teacher Card” to be used for curriculum-related materials. Use of the card for checking out personal items may result in the loss of teacher privileges. “Teacher Card” holders must have a regular library card and it must not be blocked or barred for any reason or else use of the “Teacher Card” will be restricted. Materials checked out on this type of card are fine-exempt, but the borrower is still responsible for returning the materials in accordance with the Library’s loan period and for payment for lost or damaged materials.

Age Requirements

There are no age requirements to obtain a library card, but a signature by a parent or legal guardian is required for all persons under 18 years of age. Parents can exercise the option to not give permission for their children to borrow videocassettes and DVDs from the adult collection by signing for this restriction on the registration form.

Loan Periods

Most items in the library check out for a period of four weeks (28 days) with the following exceptions:

Blu-Ray, DVD, VHS	7 days
Magazines	} 14 days

Only authorized copying of software and data is permitted.

Sending, receiving and displaying text or graphics which may reasonably be considered as pornographic are prohibited.

The display of threatening, harassing or abusive language and/or images is prohibited.

Internet stations may be used for educational, informational and recreational purposes; not unauthorized, illegal or unethical purposes.

Functions which interfere with the security of the computer and the network are prohibited. These functions may change as the security software being used changes.

Users may not access the computer operating system or make any modifications to the hardware or software installed on the computers.

Filtering software is installed to prevent users from connecting to pornographic and other prohibited sites.

Users may request that the filter be turned off if it is blocking access to legitimate sites.

Users may not engage in activities that disrupt or interfere with the use of the computer system or network. Users may not attempt to crash or degrade performance of the computer system or network.

Failure to comply with these rules will result in loss of Internet access privileges.

The library offers free wireless Internet access to persons with laptop computers. This network is not filtered and users are not required to have a signed *Internet Use Agreement Form* on file, but the same rules apply to users of both the wired and the wireless networks.

Library staff are available for assistance, but may not be familiar with every application you want to use. In cases where in-depth instruction is needed, library staff will attempt to provide resources for users to study.

Information on the Internet is in a state of constant change and it is not possible for the library to control it. Policies which apply to the purchase of library materials do not apply to the Internet. It is the responsibility of parents or legal guardians to monitor their children's use of the Internet and to determine what is appropriate.

Daily computer usage is currently limited to 3 hours total per day. Individual sessions may be limited to one hour.

Returns, Renewals and Holds

Unless otherwise indicated, library materials may be returned at any time in the outside book drops or during regular hours at the circulation desk. Items with yellow "interlibrary loan" bands should always be returned, if possible, to the circulation desk.

Persons returning non-book material in the outside book return may be assessed fines for any damage which occurs to these materials in the return bins.

Any item from within the Winnefox Library System may be renewed two times, unless other patrons have requested the item.

Interlibrary loan items (those items from outside the Winnefox System) are not renewable.

Overdue items may be renewed at the library if the total amount owed by the borrower does not exceed \$10.00.

Holds may be placed on most items. Users will be notified by phone or email when requested materials are available. There is a limit of 50 outstanding holds at a time.

Internet and Computer Use Policy

The Internet is available for educational and informational purposes by persons who agree to comply with the following guidelines by signing an *Internet Use Agreement Form*.

Users must have a valid Ripon Public Library card. Valid cards belong to the patron using the computer station and are not blocked, barred, in collections, expired, or otherwise unusable for checkout. A user whose account has been referred to the library's collection agency per the Circulation Policy will not be allowed to use a computer until the amount owed has been paid in full and the collection status cleared. The library card must be presented at the time the Internet station is to be used. Children under 18 years of age must have on file an *Internet Use Agreement Form* signed by a parent.

Two people may work together at an Internet station provided the second user has the permission of the person who has signed up.

Internet stations are available to qualified users on a first-come, first served basis.

Default Replacement Costs for Lost Items

<u>Material</u>	<u>Replacement Cost</u>
Adult Book	\$20.00
Children's Book	\$12.00
Books on CD	\$40.00
Music CD	\$12.00
Playaway	\$60.00
Magazine	\$5.00
DVD/BluRay/VHS	\$15.00

Interlibrary Loan Item	\$100.00

The actual replacement cost of any item may exceed the default cost; default costs will be used when actual costs are not available. Most Ripon Library material will have actual replacement costs, entered in the catalog record, which supersede the default prices. Default replacement costs are set by Winnefox Automated Library Services.

Subject to staff approval, patrons may purchase a new or like-new replacement item and pay a \$5.00 processing fee in lieu of paying the catalog or default replacement cost for a lost or damaged item.

Replacement costs for items from the Toy Library, MakerSpace, and Board Game collections are marked on the individual items.

Fines and Restrictions

Persons owing a total of \$10.00 or more in outstanding and accruing fines will not be allowed to check out materials, renew or reserve items, or use public computer stations until fines are paid.

Patrons who sign up for email notification will receive a courtesy pre-due notice followed by overdue notices. Other patrons will receive automated overdue notices by phone and/or regular mail.

Overdue Items and Collection Agency Referral

A bill for replacement of lost materials will be sent when an item is 30 days overdue. If materials are not returned or paid for within 45 days overdue, patrons owing \$25 or more will be referred to Unique Management Services (UMS), a collection agency. At this time a \$15 referral fee will be added to the account.

UMS will attempt to contact patrons in collections by phone and in writing in an effort to get materials returned.

Once an account goes to collection, the patron's card will not work for checking out material, using library computers, or accessing online library-sponsored services. All lost items must be returned or paid for, and any outstanding balance on the card must be paid in full, before the collection status will be cleared and the patron's account will be usable.

Refunds for Lost Items

When a formerly lost and paid-for item is returned to the library within six months of payment, the patron may be entitled to a refund of the amount paid less a processing fee equal to the maximum overdue fine for the item in question (generally, \$5 for adult material and \$3 for children's material). Patrons are responsible for any fines that accrued before the item was paid for. Either the patron must present the receipt for the item or staff must find a copy of the receipt in the library receipt book. A copy of the receipt must be submitted as an invoice to, and will be paid via a check mailed out from, City Hall.

Lost / Damaged Items

Users responsible for the loss of materials or for irreparable damage to library materials will be assessed the replacement cost of materials. A processing fee to cover the cost of library packaging will be charged.

Persons responsible for damage to materials will be assessed the cost of repairs. Common repairs include:

Plastic book jacket	\$1.00
